Hunting for Monster Buck?

Are you hunting for the largest buck mother nature and modern science can produce? Cove Tannery Lodge aims to deliver top of line monster bucks for your private, thrilling, and rewarding hunt.

Cove Tannery trophy bucks are bred on site, using our own massive breeder bucks and/or careful artificial insemination procedures of the highest quality whitetail semen available.

Our herd features high SCI scoring whitetail deer with typical and non-typical rack configurations of various sizes. Cove Tannery bucks are given free roam of a natural, stress free habitat. During your stay at Cove Tannery Lodge, you will revel in the sight of many big bucks with heavy mass.

Custom and Convenient Hunting

As a seasoned sportsman or novice hunter you are free to customize your hunting adventure. Choose when, where and how you want to hunt. Your hunt will be accompanied by an experienced guide, whether only to point out strategically located tree stands for various skill levels or to ensure harvest of a trophy buck.

Peaceful, Private, and Safe Accommodations

Cozy into a comfortable, traditional log cabin, fully furnished and boasting modern, clean facilities for your convenience. Your *exclusive* home away from home comfortably sleeps four guests. You'll feel secure inside Cove Tannery Lodge's fenced and gated preserve, which was designed with safety in mind. Relax and enjoy your favorite home cooked meals, prepared to your specifications - *a taste of home from our family to yours.*

Come for the Hunt ... Enjoy so Much More

Not hunting? Choose from many activities... relax on the porch, enjoy a game of pool, hike beautiful scenic trails, fish a bass pond, or simply walk off the front porch and fish from a trout pond. Travel downstream Cove Creek in the serenity of a canoe, and return to an afternoon of great outdoor grilling. Culminate your evening resting under the stars, roasting marshmallows by the light of your own personal campfire.
